Nick Abbott
High School is supposed to be fun, so have a killer time!
Last but definitely not least, I LOVE YOU Sabrina Staton!

Matthew Acord
My four years at OHS have been great! I have met many new friends that I will never forget. To my best friend Heather - Thanks for always being there for me. Hope to see everyone in the future!

Larry Arbogast
All in all my time here at OHS went by surprisingly quick. There were a handful of slow times. I'd have to say that my high school days were cool. The best part of it all would have to be football.

Kayla Bailey
My 4 years at OHS has taught me many things. I'm grateful for the friends I have made especially Misty. You've always been there for me and I love you to death. To my mom I could have never made it this far without your support. Tiff, be good and I'll miss you.

Nicole Bailey
My 4 years at OHS has been a long and crazy trip, but I'm glad it's over! To my best friends Aaron and Deanna, never forget gym class. To Jenn, good luck with Jason. To my Mom, Mama, and Papa, thanks for everything you all have done for me! And in loving memory of my dad, I'll never forget you! To Lucas, my one and only true love, I love you always! NRM -N- LEM 4-EVER!

Heather Blankenship
My four years at Oceana High School have been cool, but I'm glad it's over. I personally have a few things to say; To my best friends, I love you guys and to my "Huff Creek" crew, you guys are killer. Finally, I'M FREE!!!

Jason Blankenship
I am sad to be leaving OHS. This school has helped me a lot. Thanks to all my teachers. Thanks to Mrs. Wanda Cook for teaching me how to speak in front of people. Mrs. Crouse, thanks for teaching me to think before I speak and to Mrs. Anita Cook and Mrs. Hannah for being my best friends. With this I leave you - "What we are is Gods gift to us. What we become is our gift to God." Keep on rockin' OHS!

Karla Cline
My experiences throughout the years at Oceana High School have been tremendous. I have made a lot of good friends and I'll miss them all. There have been good times and bad, but through it all I wouldn't change anything for the world.

Nick Colucci
My four years at OHS have been filled with good times and bad times. I will miss all of my friends. I guess it's time to start the new life. I just have one more thing to say "NICE."

Benjamin Cook
My 4 years at OHS have been fun. I have had a lot of good times and I'll never forget them. I'll miss all of my friends.

Matthew Cook
To my friends who left me behind and the ones I leave behind, "Have a nice day!" The People's section will live on!!!

Misty Dawn Cook
To all my friends you know who you are I wish you the best of luck in the future.

Bobby Cook
I have had a great 4 years at OHS and I am very sad to be leaving. I hope everyone has a great life after high school. I will miss my friends but I am ready to move on the next phase of my life. I hope everyone's experience at Oceana High School has been as great as mine.

Cody Crouse
These last 4 years of high school have been killer. I've met some wild people. But the one that affected me the most was my love. Sammie, I love you baby. Fun and free times can't last forever. Gotta start livin' life sometime. So while you're here, make the best of it and break a couple of rules and live

a little. Have a killer 4 years! Later!

Brad Dixon
Most men think of things that are, and ask why? I dream of things that never were, and ask why not? John F. Kennedy Carpe Diem!

Natalia D. Erac
My years at OHS will always be unforgettable, but now I have many more ahead of me. To Tadpole, I Love You and you are the sweetest girl I know. I hope all your wishes come true. Shena and Tiffany, Good Luck in basketball and volleyball. You've both been good friends to me and I'll never forget you. Adam, baby, I've had a great year because of you and I hope we have many more to come. I Love You with all of my heart Adam.

Darren Green
Throughout my four years at OHS, I've set back and watched the act that is played out everyday. Each person has his or her own little mask that they wear in order to be liked or even hated. But behind every mask is a real person that has to make a decision. Will it be to accept the truth of God or will it be to reject Him along with all that He has for you. The decision is yours.

Don-Don Gibson
I will never forget the great times I have had here. It's great to be getting out of here though. Thank you mom and dad for everything you have done for me. I love you all. I am and forever will be — DA LAST DON.

Noah Green
The last 4 years has been great! I will always cherish the memories of OHS! Jessi, I Love you! To all the underclassman, make it last. These are the best times of your life. Good luck to the class of 2001.

Brandy Romane Hager
To put it in the immortal words of Ozzy Osborne, "Of all the things I've lost in life, my mind's the thing I miss the most." Have a GROOVY DAY!! Thanx to Mr. & Mrs. Tilly, Mr. Thompson, & Mrs. Hannah for being so nice to me. My four years at Oceana High School, I would like to dedicate then to my baby, my angel, my Bethany. I miss you. Norton. I miss you. And to my honey poof, I Love You! 4:20 RULZ! Maranda, girl, keep your head HIGH, I Love You Girl!

Jarad Harless
It's been a great four years. I've made some friends I'll never forget. I'm leaving a lot of memories here but I'm glad it's finally over. Good Luck to the Class of 2001. I hope everyone succeeds in whatever they do.

Matthew Don Haught
First I want to thank God and my family for watching over me and helping me through high school. My 4 years at OHS were great. I have a lot of memories to take with me. To all my friends, thanks for being there for me. I'll miss you guys. And to my best friend Tiff, I honestly don't know what I would have done without you. I Love Ya and will miss you.

Adam Huffman
My 4 years at OHS have been CRAZY! I've had a lot of good times here and won't forget them. To all my friends, and especially the Kopperston Klan, we have to get together sometime after graduation. Louie, you're going to be the only Greaser left next year so don't let anybody override you. My girlfriend is the best in the world and I love you babe! Caudill, you have to maintain these students next year. Now it's time to get really CRAZY!!

Serena Huffman
My years at OHS were short like me and I'm going to miss all of my friends, especially the Kopperston Klan. To Louie, I Love You and will miss you when you come back for your last year without the Greasers!! So be good!!

Rebekah Jude
My four years at OHS have been strange. My friends changed from year to year. I learned who my true friends are and that you can never trust anyone. To all my real friends. I'll never forget you. To all of those that weren't my friends ... it was your loss. I can't say I'll miss this place, because I won't. I'm glad it's finally over. To my wonderful boyfriend

Lane, I Love You very much and I always will! Bekah -n- Lane!!

Jeremy Kidd
There's not much I can say about my four years at OHS because most of it has been a daze. I wish I could say I'm gonna miss it but I can't because I won't. I may lose a lot but one thing I will never lose is my Kopperston/Crany pride. I've definitely had some good times. I'd like to thank Mrs. Houck for always being nice. I'd also like to thank Coach Harris for teaching me some respect. To Mrs. Fleenor you know you're my favorite. Good luck to the rest of my class. I hope everyone does well. Later "Kidd"

Jacky Lee Lawrence
I was here but now I'm gone. I left my name to carry on. Those who knew me knew me well. Those who didn't can go to Hello everyone.

Timmy Livingston
Everyone spends their whole life trying to get out of school, but when the final year comes and you have to get over in the real world by yourself, you look back and realize that high school is the best times of your life. Oh, yeah! I Love You Leila!!

Justin Lugar
My four years at OHS have been great. They have been full of good and bad times but I can't complain about any of them. I have had to much fun and will miss all of my friends. Good luck everybody.

Bobby Lusk
It is finally time! My friends are the best — I'll miss you guys. Sometimes you meet one person in high school you will remember for the rest of your life. I met Christy. My love for you is endless as the sky. Coach Hopkins and Coach Harris, you make life better for everyone around you. Mom, I have been depending on you since day one and I haven't stopped. I couldn't have made it through anything without you. I must be the luckiest son on the earth to have a mom that loves me so much. I Love You with all of my heart.

Ashley Mancell
My four years at OHS have been good, but I'm glad to be getting out of here. To all my true friends and you know who you are good luck in everything you do and I love you guys. To my best friend Brandi Osborne I'll miss you and I hope you have a great senior year.

Frances Ann Massey
My four years at OHS has been OK. It could have been better. Well, to my friends, you know who you are. I'll miss you. And to Mica Walker and Kalah Morgan, keep it real. Love Ya! And to my boyfriend, Andrew Tilley, I Love You! One more thing, I Love You Mom and Dad. I would not have done it without you.

Chasidy McComas
Most people walk in and out of your life, but only friends leave foot prints in your heart. Good friends are hard to find, harder to leave, and impossible to forget. My times at OHS I will never forget ... I thank God and my family for all the love and memories. Mrs. Fleenor, thanks for all the great memories, I'll never forget you. To LeAnn, bring home that title baby ... (both of them if you know what I mean.) Last but not least to my best pal-Ryan Maynard, locker -69- goes to you babes ... Good Luck class of 2001!

Catherine Stiltner

My four years at OHS has been an experience. I've made many friends that I will never forget. To Jennifer, Amanda, Pam, Heather, and Ashley thanks for making my senior year the best and for always being there when I needed you guys the most. To Brad, Bobby, and Matt you guys are the best. Thanks for always listening and showing me you cared.

Teddra Toler

My four years at OHS has been an experience I'll never forget because I hated every minute of it. Thanks to my family for all your love and support. To Rebekah, Tammy, and Leslie; I love you all and thanks for always being there for me. And to everyone who thought they were better than me, I can't wait until reality slaps you in the face! To my best friend and boyfriend, Craig, I can't wait to spend the rest of my life with you. I Love You!!

William Toler

I'm gonna miss everybody and some of the faculty, but I still love everybody. Especially all of the Greasers.

Christina Truitt

My two years at OHS have meant so much to me. I want to thank Mrs. Anita Lusk for everything that she has done for me. Mrs. Lusk I love you like my own mother. Thanks for everything. Bobby, I can tell you in a moment but it will take a LIFETIME to show you just how very much. P.S. that rose will never die nor will my love for you. I LOVE YOU!!

Pamela Vance

My senior year has taught me a great deal about the experience of life. The past four years at OHS will always be cherishable memories. I've made a lot of great friends. To Ashley, Catherine, Jennifer, and Amanda thanks for always being there for me and for all the great memories. I'll miss you guys! To my brother, and Brandi who will always be a very special friend, good luck at OHS and I hope you'll enjoy it as much as I have. I couldn't have made it this far without my mom. She's my everything. Thanks. Good luck in your futures. I wish you the best.

Jared Walker

As much as I hate to admit it, I'm going to miss this place. I never thought I'd say it but it's true. My years here will always be remembered, the good times, the times I'd rather forget, and all the things that could have been. To all my true friends, you know who you are, I love you guys and will always remember you. To the future classes, take care of each other, what goes around comes around. Things happen for a reason and all we can do is try to figure out why.

Mica Walker

This goes out to the good Lord above for keeping me safe all through my life. To all my real friends, I love you all. To my parents, for all the love you have given me. To my pastor and church people for being the "Light of My Life." To my teachers who have been a real model to me. To Hope, Dink, and Josh, I love you all very much. Special Thanks to Ann Massey, Kalah Morgan, and Melissa Cole for seeing me through the rough times (for real doe). To Mrs. Hannah and Kelly for the good times. To all the people who had prayed for me over the years and to the ones who has gave me strength to carry on.

Steven Woods

J.R. was here for six, and I was here for four. Yes, thank goodness, there will be no more. The Woods have left the building.

Amanda Worrell

My high school years have truly been the best of my life. It's hard to believe that we're actually leaving. Thanks to all of those special teachers who take the time to help. I have made many friends that I'll never forget. May God Bless the class of 2001! I love John Henry!

MEGAN GOODMAN
August 28, 1984-May-10, 2001

My Sister MEGAN

*AN ANGEL IN MY EYES, YOU ARE MY
GUIDING LIGHT.*

*I HAVE SO MANY TEARS; I HAVE SO MANY
FEARS*

*BECAUSE I WILL NOT SEE YOU TROUGH
THE COMING YEARS.*

*I KNOW YOU'RE IN A BETTER PLACE, BUT
I'D LOVE TO SEE YOUR SMILING FACE.*

*YOU HAD SUCH A GLOW, SUCH A BEAUTI-
FUL WAY OF TOUCHING PEOPLE'S LIVES.*

*YOU MADE ME SEE THAT A SISTER IS A
TRUE FRIEND WHO WILL BE THERE 'TILL
THE END.*

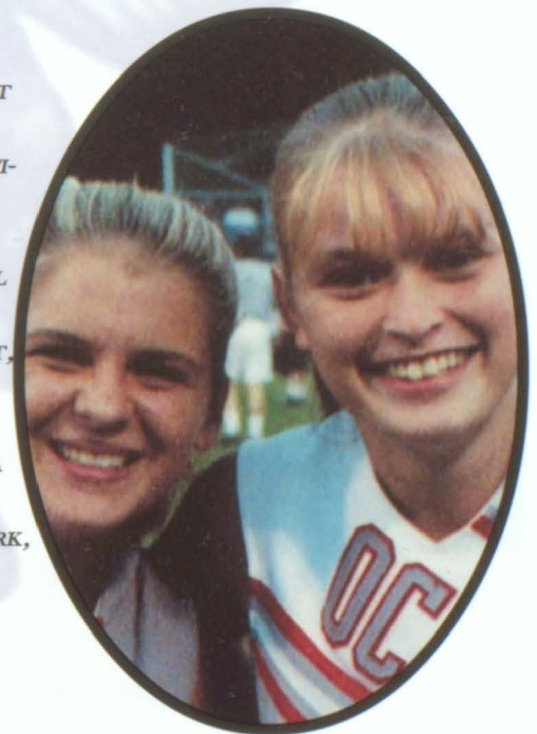

*YOU ARE ALWAYS WITH ME IN MY HEART,
AND I KNOW WE'LL NEVER PART.*

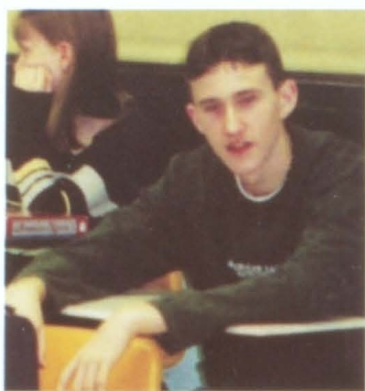

*NO MATTER HOW MY LIFE TURNS OUT,
YOU WILL BE A PART OF ME WITHOUT A
DOUBT.*

*YOU ARE MY LIGHT WHEN LIFE GETS DARK,
AND YOU WILL ALWAYS HAVE A VERY
SPECIAL, LOVING PLACE IN MY HEART.*

*I LOVE YOU, MEGAN-BIGGER THAN THE
SKY.*

A Touch of Love

*You were six months old and full of fun.
With a blink of my eye, you were suddenly one.
There were so many things we were going to do,
But I turned my head, you turned two.
At two you were very dependent on me.
But independence took over when you turned three.
Your third birthday, another year I tried to ignore.
But when I lit the candles, there weren't three, but four.
Four was the year that you really thrived.
Why, look at you now, you're already five.
Now you are ready for books and for rules.*

*This is the year that you go to school.
The big day came, you were anxious to go.
We walked to the bus, going oh, so slow.*

*As you climbed aboard and waved good bye,
I felt a lump in my throat and tears stung my eyes.
Time goes so fast, it's hard to believe
That just yesterday you were home here with me.
And tomorrow when the bus brings you home
And you jump to the ground,
You'll be wearing your cap and graduation gown.
So I'm holding to these moments as hard as I can,
Because the next time I look, I'll be seeing a man.*

I am so proud of you, you have made mistakes and learned right from wrong.
You aren't afraid to be yourself and march to the beat of your own song.
It's been such a pleasure watching you grow and watching you learn,
So step forward out of the shadows, because now it's your turn.

It's time to take life by the hand and make it all it can be,
To meet people and to go places that you thought you'd never see.
Time to make the transition, to step out into the world,
To accept the responsibility of womanhood-you're no longer a little girl.

In days to come you'll see why I did some of the things I've done,
But in this new found life of yours, don't forget to have some fun.
As you ponder life's lessons, you'll learn a little more each day,
Sometimes it will be what you planned, sometimes the other way.

You'll get disgusted and want to cry, but you must continue to fight,
For without you this world is dark, it needs your special light.
So, please do me this favor, always remember my feelings toward you.
Of all the things that may change in the world, my feelings will remain true.

What I'm trying to tell you is that I'm really proud of you,
and always remember that your Mom would be, too.
She would be so proud to see the young woman you have become,
Her love shines on you every day, you may know it as the sun.

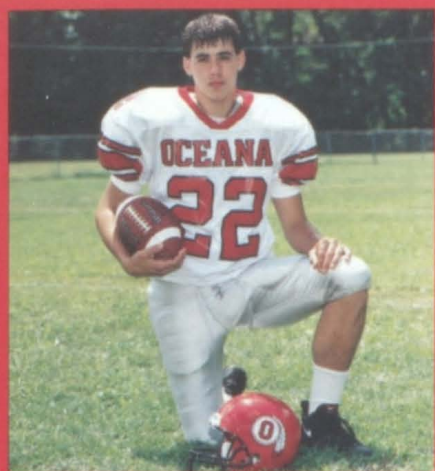

It is my hope for you that you will continue to make your choices wisely,
You don't have to go to drastic measures to make life a little spicy.
So, with this said I'll close for now, but please don't forget...
Yes, you've had some rough times, but the best hasn't gotten here yet.

Aunt Bit, Kyle, Mamaw & Papaw

Oceana High School's Class of 2001

It was a great year for the sports teams and school spirit at Oceana High School. The Indians brought pride to the entire county by winning the runner-up spot in the state basketball tournament.

The football team

also made the state playoffs, and several players on the school's girls volleyball team were chosen for All-Conference.

What's more, the Oceana girls basketball team won a sectional champi-

onship, enjoying one of their most successful seasons in many years.

School spirit was alive and well throughout the year, as hundreds of fans followed the players and teams to victory.
